

11 Aug 70

Dear Mr. Prevratil:

Thank you for sending me the pictures taken when my children and I visited you last month. It was most thoughtful of you to do so and the photographs are a very nice remembrance of a day we greatly enjoyed.

Thank you also for the time and effort spent in showing us around. We appreciated your interest in making our visit to the Deep Park and Japanese Village an especially memorable occasion.

Best regards,

(S)

Henry A. Kissinger
